ORDER CONFIRMING CHAPTER 13 PLAN

The plan or a summary of the plan has been transmitted to scheduled creditors and it has been determined after notice and an opportunity for hearing the plan should be confirmed; therefore, IT IS ORDERED:

1. The debtor(s) shall submit future funds to the control of the Trustee as follows:
 - a. The debtor(s)' monthly plan payment is \$861.93 and the plan is confirmed for a term of 60 months. The plan base is \$51,715.80. The minimum applicable commitment period is 36 months. To the extent necessary to make the disbursements required under this Order, the plan term may be automatically extended to a term of up to 60 months.
 - b. The plan payments may be made directly to the Trustee by the debtor(s), unless and until debtor(s) miss(es) a payment in which event, after notification to debtor(s), or attorney for debtor(s), the use of the Employer Wage Deduction provision of § 1325(c) is authorized.
 - c. Unless this plan is confirmed with a provision guaranteeing a 100% dividend to unsecured creditors within the minimum applicable commitment period, the debtor(s) is/are to additionally surrender to the Trustee all tax refunds, bonuses, unused vacation pay and any other irregular or incidental disposable income received during the term of the Plan. These amounts shall be applied to the existing base; however, to the extent applying these additional amounts to the existing base would reduce the plan length to less than the minimum applicable commitment period, the plan base shall be increased. Federal earned income credit portions of tax refunds shall be returned to the debtor(s) if a timely request for such relief is received prior to disbursement of the funds to creditors. The Trustee is authorized to submit ex parte orders to the Court directing turnover by third parties in possession of funds addressed by this paragraph.
